Dear Friend,

This letter will probably come as a shock to you as it means that I have joined my ancestors on the family tree who have double figures (birth and death).

I first felt unwell in June this year and after many tests revealing cancer it was evident that my time was short.

I have requested with full agreement of Brian and Andrew that:

- There will be no funeral
- There will be no Thanksgiving, Celebration or Memorial Service, now or at any time in the future
- There will be no memorial of any sort attached to my name

There will be no formal announcement of my death. Instead, this letter is being sent to many people I knew but if you think there is anyone who may not receive a copy, including any members of your organisation or society, please pass on a copy to whoever would like one. My son, Andrew, can supply an electronic copy. He is at andrew@andrew-young.com

If you feel you want to do something, a small gift to either of these charities is a great idea, where any donations will be put in the general funds:

Berkshire Family History Society
The Treasurer, 1 Emmets Park, Binfield, Bracknell RG42 4HQ

Friends of Thirtover Place
The Treasurer, 25 Redditch, Bracknell RG12 0TT

I ask you to respect the privacy of Brian and Andrew at this time.

I have enjoyed my life; I had hoped it would be a little longer, but it was not to be.

Margaret
